

REGULATION FOR DISTRIBUTION OF INFORMATION

Schools are accessible to non-school associated groups only as described in Policy KF. Any materials and information distributed within the schools shall relate to the schools' primary function, the education of students. These guidelines shall apply to all distribution of materials in any format. Instructional time shall not be used for the distribution of non-school materials.

Schools may distribute approved materials in any of the following ways:

1. Posting at a designated bulletin board(s)
2. Placing of materials at a designated location within the school
3. For elementary school distribution by take-home folders
4. Placing of materials in teachers' distribution boxes
