

MAKE-UP WORK

A student will have the opportunity to complete assignments missed because of an absence.

A student is expected to make up all work and must assume the responsibility for requesting the assignment missed. Upon returning to school, a student is responsible for any assignments or tests that were scheduled prior to the absence. Time allowed for making up new work and tests is determined by the number of days absent. Teacher discretion may be used in exceptional circumstances. After a long suspension of five (5) days or more, a student will have a maximum of four (4) days to make up all work unless directed by the teacher.
