

## **HEPATITIS A IMMUNIZATION FOR SCHOOL NUTRITION STAFF**

Effective July 1, 2019, as a condition of employment, attendance, service or participation in school work or activities, every new or prospective school nutrition employee shall be required to present satisfactory proof of a current hepatitis A immunization signed by a licensed physician, physician assistant, nurse practitioner, or registered nurse stating the employee is free of hepatitis A.

Current school nutrition staff shall be required to provide satisfactory proof of current hepatitis A immunization signed by a licensed physician, physician assistant, nurse practitioner, or registered nurse stating the employee is free of hepatitis A.

Volunteers shall be required to provide satisfactory proof of such hepatitis A vaccination and immunization as well.

Approved: by the Division Superintendent on July 29, 2019.
