

## SUPPLEMENTARY PAY

The Bristol Virginia School Board approves all athletic coaching and other extracurricular activity sponsorships for which supplemental pay is provided. The Board establishes the amount of compensation for employees who coach or supervise such activities.

A separate contract in a form permitted by the Board of Education is executed by the School Board with an employee who receives supplemental pay for any athletic coaching assignment or extracurricular activity sponsorship assignment. All such contracts require a party intending to terminate the contract to give reasonable notice to the other party before termination thereof becomes effective.

For purposes of this policy, "extracurricular activity sponsorship" means an assignment requiring responsibility for any student organizations, clubs, or groups, such as service clubs, academic clubs and teams, cheerleading squads, student publication and literary groups, and visual and performing arts organizations except those activities that are conducted in conjunction with regular classroom, curriculum, or instructional programs.
